ELECTRONIC RECORD AND SIGNATURE DISCLOSURE ("ERSD")

From time to time, Educational Federal Credit Union (we, us or Company) may be required by law to provide you with certain written notices or disclosures. You may elect to receive such notices or disclosures electronically. The terms and conditions under which we can do so through the DocuSign system or other electronic means are set forth below. Please review them carefully. On page 2 of this disclosure, under the paragraph entitled "*Acknowledging your access and consent to receive and sign documents electronically*," we have placed a link to allow you to test your electronic access to this ERSD. If you are satisfied with your access to this ERSD through the use of the link and you wish to receive and sign documents electronically, please follow the steps provided in that paragraph to confirm your agreement to the terms and conditions of this ERSD.

Getting paper copies

At any time, you may request a paper copy of any electronic record provided to you by us. You will also have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session. If you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, you may request paper copies of such documents from our office for a charge of \$0.00 per-page. Your requests can be made by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. The procedure for making such requests is described below.

Transaction speed will be slower if you elect to receive notices and disclosures only in paper format

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete transactions and deliver services. This is because we will need to send the required notices or disclosures to you in paper format, and then wait until you acknowledge your receipt of such notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive or sign notices and electronic documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system or other electronic means all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to

provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices either electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
