

Safari – Enable Cookies

1. Select “Safari” > “Preferences”, and then select the “Privacy”.

Make sure that “Cookies and website data” is set to “Allow from websites I visit”.

You can then go into “Manage Website Data...” and see if online.sfefcu.org, netteller.com, billpaysite.com, bitstatement.org are

listed to make sure Online Banking and Bill Pay are working correctly.

Note: If online.sfefcu.org, netteller.com and/or billpaysite.com are not listed, select the ‘Always allow’ option while accessing Online Banking.
